Dear Friends and Patrons of the Lee County Fair:

The one hundred members of the Sanford Lions Club invite you to attend and share in the activities of the Lee County Agricultural Fair for 1972.

"We Serve" is the motto of Lions International. The Sanford Lions Club exists solely for the purpose of rendering a service to the people of this community. Sponsoring the fair will be our prime service project for this year. A look at the opposite page will inform you of what proceeds of past fairs have been used for. We are proud of these achievements, however we realize these projects could not have been completed without the generous support of the people of Sanford and surrounding areas.

Plan now to enter your produce, arts, crafts and handiwork in the various catagories outlined in this catalog. Valuable premiums and cash awards are provided to reward you for your efforts.

Sincerely,

Tom Gill, President
Sanford Lions Club

It helps us preserve the environment and conserve natural resources. And saves us money that helps hold down the price of our service. Recycling isn't a new idea at CP&L. In fact, it's as old as the company. Used or worn equipment such as transformers and switches are repaired for reuse, while obsolete equipment is sold as scrap so that it may be remade into useful products. Last year, we saved $1.2 million alone from recycling transformers. We can't point to a copper or aluminum deposit and say it still exists because we recycled. But it does contribute to a better environment for all of us.

Recycling helps us do a better job for you.
